Bridge the Gap

Many of our tenants have been involved in a project 'Bridge the Gap' which brings together the youth and older adults within the community. Clyde Valley High School have been organising various events throughout the year which have been very successful.

Pictured below are our tenants Mrs Yardley and Mrs Kennedy who enjoyed an event at Clyde Valley High School.

A special thanks to Sheila Russell, Locality Link Officer who has helped organise these events.

Skip Delivery

The first skip after Christmas is not available until **Monday 15th March 2010**, therefore it is imperative that tenants make use of the heavy goods uplift provided by North Lanarkshire Council's Cleansing Department to remove any large items after Christmas.

Tenants are entitled to 3 uplifts per year and these can be arranged by calling 01698 403110, alternatively - email them at specialuplift@northlan.gov.uk. Any items stored in common areas for uplift must be contained and monitored by individual tenants until collected.
